Detailed Action

1. Claims 1-13 and 17-18 are presented for examination. This office action is in response to the amendment filed on 5/18/06.

Information Disclosure Statement

2. Applicants are reminded of the duty to disclose information under 37 CFR 1.56.

Terminal Disclaimer

3. The terminal disclaimer filed on 5/18/06 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of 6,665,237 has been reviewed and is accepted. The terminal disclaimer has been recorded.

4. The status of the referenced U.S. applications must be updated accordingly (e.g., U.S. Patent Application Serial No. ######,### filed Sept. 07, 1990, now abandoned; ..., now U.S. Patent #,###,### issued Jan. 01, 1994; or This application is a continuation of Serial Number ######,###, filed on December 01, 1990, now abandoned; ...etc.) in the Related Applications section and in any other corresponding area in the specification, if any.

REASONS for ALLOWANCE

5. The following is an Examiner's statement of reasons for the indication of

allowable subject matter: renumbered claims 1-15 are allowable over the prior art of record because the arguments set forth in the amendment filed on 5/18/06 are persuasive. The claims are allowable over the prior art of record because the claims are distinguished from the prior art of record for the reasons as set forth in the amendment filed on 5/18/06 and because an update of a search previously made does not detect the combined claimed elements as set forth in the claims 1-15. Specifically, claims are allowable over the prior art of record because none of the prior art of record teaches or fairly suggests a control apparatus comprises a first and second memories, a writing means, a first selection means, a control means, a system controller and a second selection means as described in the specification and together with combination of other claimed element as set forth in the claims. Also the reasons for allowance of the claims over the prior art of record is believed to be clear from the prosecution records taken as a whole. Therefore, claims 1-15 are allowable over the prior art of records.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons For Allowance."
